Education

Western Oregon University, Monmouth, OR **June 2010**
Bachelor of Arts Geography, Minor Communications

Oregon Registry Step 7.5

Experience

Early Childhood Specialist **March 2015-Present**
Teaching Research Institute, Center on Early Learning, Western Oregon University
Providing Technical Assistance around Oregon's Quality Rating and Improvement System (QRIS) and Central Coordination of Child Care Resource and Referral.

DHS Tech and Focused Network Coordinator **July 2012-March 2015**
Child Care Resource & Referral of Marion, Polk & Yamhill Counties
Provided Technical assistance and support to Focused Network Participants around the Quality Rating and Improvement System as a Quality Rating and Improvement Specialist. Development of Focused Network policies, procedures, and expectations while aligning with the specific requirements for the Focused Network Grant. Along side the Focused Network my daily tasks included Parent Referrals, Community Meetings, NACCRRAware Database upkeep, JOBS and TANF Orientations around Child Care, development of educational materials for parents about child care and training the Child Care Provider Overview classes.

Assistant - Toddler House **July 2008-July 2012**
Corvallis Montessori School
Provided assistance to Head Teacher within a Montessori Toddler Environment and one year as an interim Head Teacher. Maintained positive supportive relationships with children and families, developed materials, curriculum activities, planned educational field trips and oversaw classroom daily. Developed and ran Parent Education Nights around the Montessori

philosophy. Supported parents in the integration of the Montessori philosophy within their homes and provided support to additional classrooms as needed.

Trainings and Certifications

Massage for Children with Autism	November 2014
Implementing Developmental Screening- Using the Ages & Stages Questionnaire	August 2014
Quality Improvement Specialist Training	August 2014

Volunteer Experience

Salem Harvest Gatherer

Gather food for the Marion and Polk Food Share where they distribute food to families in need.

Monmouth and Independence Community Foundation

Organized and oversaw "Stars Have Aligned" charity gala benefiting the Monmouth Community Foundation. Designed event invitations, programs, décor, various advertisements and collected and receipted donations.

Western Oregon University Wolf Pack Auction

Helped organize and setup the auction and the various promotional activities that led up to the auction. Welcome and assisted attendees to their tables and partook in the foundation's collections of donations.
